

Classical China Map

Use the map on page 137 (or on my website) to complete this activity.

- Shade the region of the Han Dynasty (pick any color)
- Draw the Great Wall (in a zigzag line) and color it (pick a different color)
- Draw the Silk Roads and color it (different color)
- Label the following:

Yellow Sea

East China Sea

South China Sea

Vietnam

Korea

Gobi Desert

Himalaya Mountains

Huang He River

Create a key as seen below:

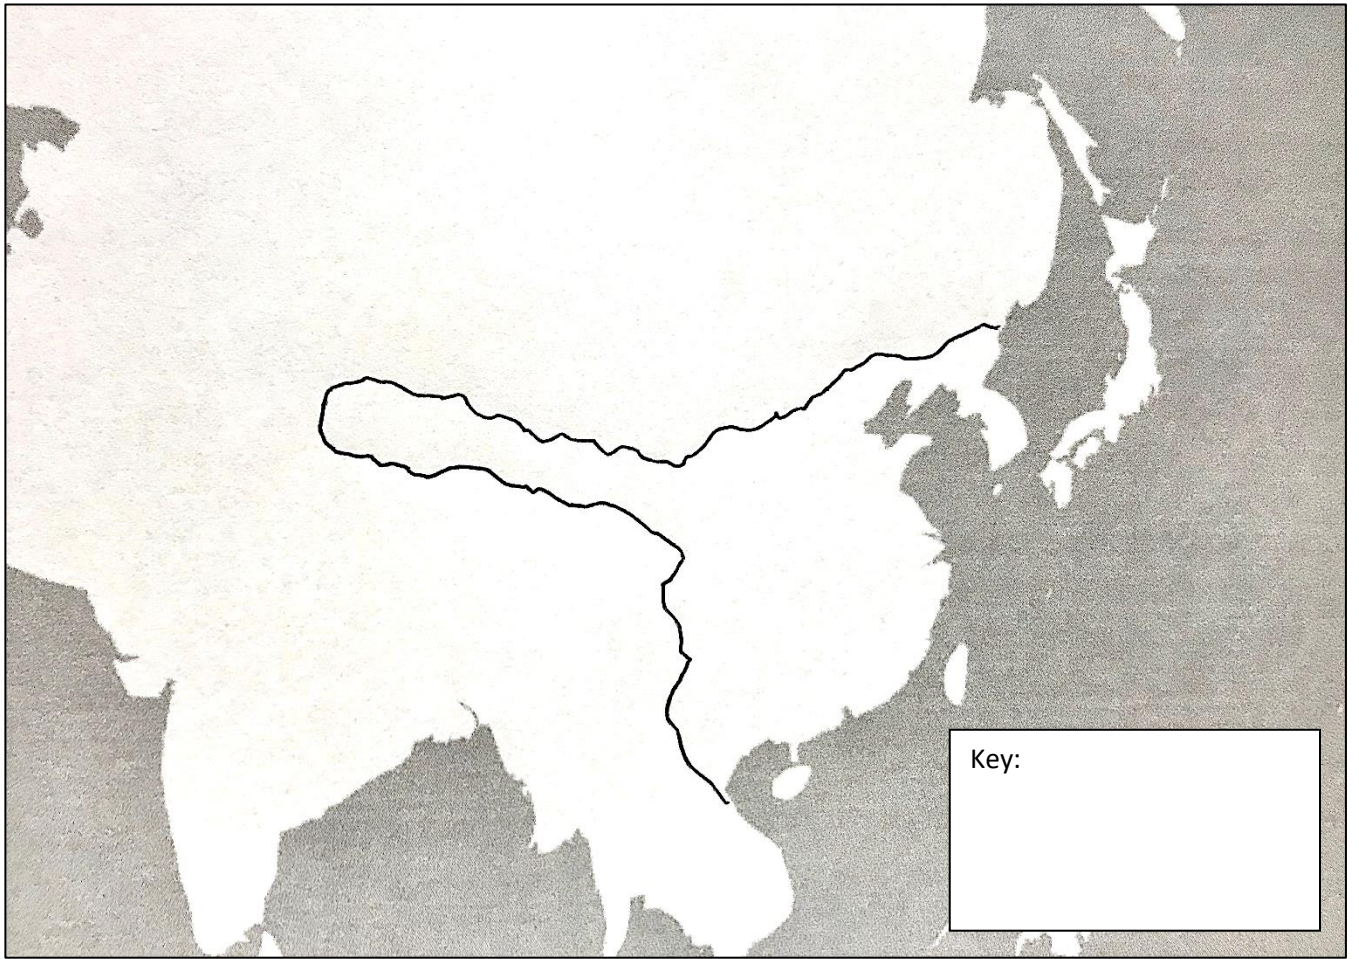

Han Dynasty

Great Wall

Silk Roads

Name _____

Classical China Map

Fill in the map using the directions on the back of this sheet.

Then answer the questions below:

1. Why do you suppose the Great Wall was built on the northern border, but not any other border?
2. Examine the Silk Road. What do you think would be the most difficult portion to travel? Why?
