

# Imperialism Parenthetical Outline Directions

Due Date: \_\_\_\_\_ (10% off each day it is late)

You will be assigned one of the nations involved in Imperialism. You will research how this nation was impacted by Imperialism and create a parenthetical outline based on this nation's participation in Imperialism.

Options: Great Britain, France, United States, India, China, Japan, Indo-China (Vietnam), South Africa, Egypt,

## Format:

1. Cover page with image to represent your nation during Imperialism (see example)
  2. Parenthetical outline (see example)
  3. 1 Image Page—include:
    - a. Map of your nation during Imperialism
    - b. 1 political cartoon that represents Imperialism
  4. Works cited page (see example)
- This entire assignment must be typed, double spaced, 12 point font, Times New Roman, 1 inch margins

## Required Sources: 3 sources (at least)

- At least 3 sources—can be print or databases/Ebooks
- NO WEBSITES of any kind!
- Use MLA format for your works cited (MLA 8) using NoodleTools (you can use more than 3 sources)

## Outline Basics:

Your outline will need to cover the areas seen in the example format as seen in the box on the right.

See the outline example on my website for clarification on what to cover.

Directions for the outline:

- First letter of every new bullet should be capitalized
- Any information you gained from a source should be in complete sentences AND cited on the outline (see example outline)

Citation of Sources in the Outline:

- Parenthetical citations

Title
Thesis: (1 sentence explaining if Imperialism was more beneficial or harmful to your nation with evidence)
I. Background on Imperialism
